COMMANDER'S CONNER

Dear Comrades, Sisters, and Brothers,

We finished off our 2023-2024 Year excelling in our Post 9430 programs and events. We were one of less than 10 Posts to attain the Department of Washington All-State Team this year. Our Post also achieved the Commander in Chief Duane Sarmiento's 102% Membership Challenge as well as his All-American Post Challenge. Congratulations to all who helped us achieve All-State and All-American Post this year!

Before moving into our next year, I want to take a moment to thank you all for your support of the Post mission and the Post Home. For some, it is just a building, for others, it is a place of honor, tradition, a memorial, or tribute to a family member that spent much time in Our Post Home. To some, it is a safe-haven, a sanctuary, a place where others have felt what they feel and welcome them with support and the comfort of a handshake or a hug. Some feel it a second home, filled with sisters and brothers from another mother, family. The brick building at 7421 S 126th Street is much more than just a brick building. The foundation was laid by VFW members of this Post, the walls were put up and painted by members of this Post, the history inside was made by the members of this Post, the building is maintained and kept by members of this Post. All this was done and continues, because it is not just a brick building at a location on a street in unincorporated King County. It is OUR POST HOME and Our Home is Strong, full of life, love, family, laughter, and joy. We socialize together here, we celebrate events, birthdays, anniversary, retirements life achievements, and each other in Our Post Home. We have sadness in our memorials but we stand strong together and cherish and remember in the celebrations of life following in our Post Home. I want to thank all of you, who continue to come together and keep our Post Home going, without you all and your support, we could not continue to have our Post Home. So please, bring your family and friends to the Post Home for events so that we can continue having this building full of memories and history for generations to come!

We are officially underway for our next VFW Year, although we have not yet elected our National Commander, the program year has begun. The challenge for membership this year is again at 102% to continue the growth needed to continue with our strong advocating voice in congress for Veterans and their Families.

Watch our calendar and flyers at the Post for upcoming events and bring your friends and neighbors, kids are always welcome as we are a Family Post and Organization. There are many events and programs coming up that need Volunteers. There are sign up boards at the Post when you walk in the door to put your name and contact information on the events you would like to be a part of. You can also contact myself or any of the Post Officers as well if you would like to get active in our Post assisting Veterans and their families and bettering our community.

this year as Perry Taylor from Oak Harbor was installed as the Department Commander 2024-2025 on June 22, 2024. There are many new programs and ideas coming, so we are all excited about that. We have new members in our Post and Auxiliary, so come by and meet them, they are all ready to meet everyone and assist in our VFW and Auxiliary missions. The next newsletter will have some changes that we have been discussing so that will also be fun additions to our newsletter.

Yours in Comradeship,
Chad Hassebroek
Post 9430 Commander

PRESIDENT'S MESSAGE

Greetings Sisters, Brothers and Comrades,

Summer greetings to all my Auxiliary Sisters and Brothers! We need a big shout out and cheer for all of us. This year at the Department Convention, I had the honor of accepting the Lora Waters Award as an outstanding Auxiliary for Post 9430. Our Post Commander, Chad Hassebroek and Post Quartermaster Jesus Alvarez received the White Hat All State Award. So, I am so proud of each one of you that we did this together as a team.

One of the reasons that we did receive the Lora Waters Award is because we had five second places in our program awards and two first places. Cheryl Scheeler took three 2nd place awards for mentoring and leadership, Americanism, and Extension and Revitalization. Emma Hassebroek took 2nd Place for Veterans and Family Support. Margie Lindberg and Diane Brickell took 2nd place for Auxiliary Outreach. Our two 1st places go to Emma Hassebroek for Historian and Media Relations and to Cheryl Scheeler for the Scholarship program. Cheryl Sheeler was also awarded the Volunteer of the Year for the Department of Washington. Her application will go on to judging at the national level.

I also want to introduce you to our new Department Auxiliary Line Officers: State President Sue Gregg, Senior Vice Robin Sterett, Junior Vice Tracey Thomson, Chaplain Adrienne Halverson, Conductor Rebecca Pellechi, Guard Emily Arnold, and Secretary / Treasurer Cindy Burkey.

Our Mission and programs will continue. Remember, we meet on the first Wednesday of the month at 7PM. Please check the calendar at the end of the newsletter. We still have many fun events going on all summer. But we will really need more help as we ramp up for fall and winter. Please stop by and see all the good things we do for our Veterans and the Community.

Loyally and in friendship,
Margie Lindberg
Auxiliary 9430 President

CHAPLAIN

Heavenly Father, we come to you today with grateful hearts for the men and women who have served and continue to serve our country. We ask that you bless them and their families with your love, peace, and protection. We pray that you would provide them with the strength and courage they need to face each day, and that you would guide them in all their endeavors. We ask that you would be with them as they serve our country, and ask that you would comfort them and give them your peace. We pray all these things in the name of Jesus Christ, our Lord. Amen. May God bless our troops, veterans, and their families and may He continue to bless the United States of America.
