COMMANDER'S CONNER

Dear Comrades, Sisters, and Brothers,

I could not be prouder of all that Post 9430 and Auxiliary accomplished the last two months. In September, we welcomed back our Auxiliary breakfast and bake sale and Auxiliary dinner from their summer break, started our Seahawk viewing parties, and started our Monthly Birthday Night at the Post the last Friday each month. I will not go over everything as I know you will enjoy the articles and pictures in the newsletter showing all the programs and events that Post 9430 and Auxiliary have been doing.

These past 2 months have gone by so quickly and here we are now already going into our Holiday Season. Please do what you can to assist the chairman in their programs these next two months as we do what we can to assist families from our Post and Auxiliary, active military adopted units, and our community. There are volunteer opportunities for many programs and events these next two months so again, please do what you can to assist our program chairmen both Post and Auxiliary. There will be more details within the chairman articles.

We have had an increase in the use of the Post home for birthdays and family gatherings these past two months. Thank you, as I have been saying for years, this is your post home, use it! Bring your family and friends together and celebrate life-do not wait for a celebration of life! Contact a post officer or the Club manager if you would like to do an event at the Post home.

Our Pool table is good, our shuffle board is available, our dart board is having some electrical problems now, but we are working on getting it repaired. We do currently have axe throwing and every Friday Night is game night (1st Friday is Wii Bowling, 2nd Friday is Bunko, 3rd Friday is Corn Hole, Last Friday is Horse Races). So, bring your friends and family up for some fun events, dinner and dances, game nights, seahawk viewing parties, hamburgers, and other programs and events listed in our calendar.

Try to attend a Veterans Day event in the community, at our Post Home or at one of our local schools. It is up to us to continue to teach and mentor our youth and community in Patriotism and Americanism and the importance of remembering and honoring our Veterans, those who have served and those currently serving alike!

I cannot thank our Core of shakers and movers enough, a small group that does so much! Thank You! I also want to thank some new volunteers who have started helping with programs and events. Welcome to the active member and supporter club!

I look forward to another two months of doing great things for our Veterans and Community and getting together in friendship, fellowship, comradery, and doing our VFW mission together while having fun!

PRESIDENT'S MESSAGE

Greetings Sisters, Brothers and Comrades,

Tis the season of thankfulness and giving!

NEEDED: Donations of canned and shelf safe foods are needed for our Thanksgiving and Christmas food baskets. We also need donations of toys for our Santa Parties. To make it easy on yourself, we are also accepting cash and checks. When you come in, there are envelopes on the table in the calendar stands. Use that for your donation and put the envelope in the box at the guest sign in station.

Since this is the season of thankfulness and giving, I want to make sure I put a Thank You, out for everyone who came and supported our vendors at our 3rd Annual Bazaar. I also need to thank everyone who helped make our Halloween party a tremendous success. So many families and children came for a Spooktacular time. This is certainly a Halloween tradition for our Post and our Skyway Community. There are many pictures posted on our VFW Post 9430 Facebook page.

I am grateful and honored to work along so many inspirational and dedicated people who believe in our mission in supporting our Veterans and our community. I give thanks in my prayers to the people who give of their time and resources to events like the Bazaar, the Halloween party, burgher nights, Friday game nights, breakfasts, football pot-lucks, dinners, karaoke, and Poppy Drives. I would list all the names (you know who you are) however, I do not want to risk not listing someone. My heart is full of your faces, and you are remembered with love and thankfulness.

Finally, we are always looking for new volunteers to step up and give our core group some help. All the events you will find listed at the end of the newsletter and in our monthly calendars. Have a blessed holiday season, stay safe, be warm, and share your graces with others

Respectfully and humbly,

Margie Lindberg

Auxiliary 9430 President

SENIOR VICE COMMANDER/ ADJUTANT AND POST CORRESPONDENCE

We need new Post and Auxiliary members at Skyway VFW Post 9430. When I joined Post 9430, we had 262 members as of November 1. We are currently below 300 now. As you are out shopping or site seeing, talk to those you notice with military hats. Invite them and their families to the Post for an event, tell them our story, what we do for Veterans and the Community and that we are here for them too. If each of us recruited just 1, we would have the membership that was here when I joined our Post.

QUARTERMASTER

Greetings Comrades, Sisters, Brothers and Supporters,

Our financial situation remains like my last newsletter input. Our basic expenses (utilities and routine expenses), remained about the same (\$3400.00 per month), but we did see an improvement in our sales at the club thanks to several special events which increased our balance in that account.

Thanks to everyone who have graciously donated \$1229 to Toys for Kids and \$1210 to Food Baskets for Thanksgiving and Christmas. We also received a \$1000 donation to Heroes Holiday and got an \$800 MAP grant for 2-17 FA Battalion's Trunk or Treat at JBLM. We received \$1370 from National VFW for our membership dues and will help the Post General fund which is currently in the Red. Our Post insurance renewal is this month with an increase from \$580 per month to \$670 per month with the annual increase this year of about \$1490.

Due to the increase cost of food, starting January 1st Hamburger Dinner (Thursday) will be \$7 with \$1 for each burger sold going to the Building Fund.

I do want to leave you with the reality that we are still not as financially well as I would like to see us. We are rapidly approaching the Holiday Season where we traditionally provide a tremendous amount of funding to support very deserving events for our community, local Veterans, and Active-duty military families. The reality is that we are not making as much profit from Post Dinners and Dances, and other events as we have in past years. The list of Christmas Families to adopt will be out after Thanksgiving, so please take a family or a child if you can. Thank you

So please, continue to support our Post and bring your friends and families with you when you come to the post. If you are able, please volunteer to help us with food baskets, presents for adopted families, toys, wrapping presents, community, and veteran holiday parties. We can succeed with your donations and support!

Thank You! In Comradeship
Randy Brickell – Post Quartermaster

AUXILIARY 9430 Treasurer

CHAPLAIN

Almighty God, we ask for Your blessing with indebted hearts that You continue to protect our servicemen and women serving our country near and far. We ask that You grant them strength and courage in their righteous service in defense of our Nation. We pray that You keep their families in Your heart and grant them peace and love as they too bear the heavy burden of sacrifice for our country. Heavenly Father, we ask that You extend Your unending love, protection, and comfort to our Veterans and their families, especially those in need and suffering. Lastly Father, we ask that you guide and support our Veterans and our community. We pray all of these blessings in the name of our Lord, Jesus Christ. Amen.

Comrades, Families, and Supporters of VFW Post 9430, Although we are losing more sunlight in each passing day as we enter the dark and gloomy season here in the Greater Seattle Area, know that Gods holy light continues to shine brightly in our hearts and through our deeds. I ask each of you to please take the time to reach out to a Comrade, a neighbor, or a faraway friend or family member and check-up on them. Sometimes a kind and genuine gesture, a simple "how are you?" is all someone needs to feel seen, loved, and valued. As always, please do not hesitate to contact the Post Chaplain for service or support

If you haven't put your name up on the bar, it is not too late. Bar poppies are still available and we will make room. \$1 - \$5-\$10 or any donation of your choice buys a poppy. Write your name or message and we place it up on the wall with love and gratitude. The money for the poppies goes to the Post Relief Fund which enables our Post to help our Veterans and Community. We have raised over \$500 so far and hoping to raise \$1201 by the end of the year just so I can say we beat Chad's record. Help the bar beat Chad.

The Shake a day jar is over \$200 to split if a 5 of a kind is rolled. The split goes to the building fund. The dice have been on fire lately and given away several prizes for the 4 of a kind. It is only a matter of time before that 5th one decides to fall into place. Who will be the winner???

We have added a small snack menu to the bar. We would like to see if anyone has any suggestions as to what other items we should add. You can let Trish, Dwayne, or I know while you are visiting or just give me a call.

Assisting our future leaders in their travels and expenses while they represent us (VFW and Auxiliary Members) at our Western Conference and National levels. Sadly, Robyn got sick right before the event and was unable to travel from Spokane to be here in person, but there were members from all over the state and both sides of the mountains here at this event to show their support for our future Commander and President.

We had great German music throughout the social hour and dinner and after the cake auction, we had some fun singing and dancing with Karaoke!

The patriotism these people have for America and for ROC is incredible! The event started with Lion and Dragon Dancing, then presentation of colors. Some singers and speakers and then food and celebration. They passed out American and ROC Flags for everyone to wave at the peak of the event. Every year at National Convention we pass a resolution to support the Republic of China.

So much fun at the selfie station, had some great singers and many were in to mood to do a little dancing and monster mashing throughout the event. Some singers even tried coaxing the dragons into being good!

And there were costumes! We are always grateful for those who get into the spirit of our events and dress up! This year our \$50 best female costume was Patty – the Voodoo Witch Marie Laveau and the \$50 best male costume was David – Mr Rogers. So much Fun and monkey business during the event!

FRIDAY NIGHT HORSE RACES OCTOBER

You all make Friday Night Horse Races and baked potato night super fun! Steve makes sure that the dice are rolled properly and calls the numbers and the jockeys move or sometimes they do not. If you have not been up to Horse races the last Friday of the month, you should come check it out, you will not be disappointed! We accept all to jockey a horse or just come and shake the dice.

SKYWAY VFW POST 9430 ANNUAL KIDS HALLOWEEN PARTY AND TRUNK OR TREAT

Skyway VFW Post 9430 and Auxiliary held its annual Kid's Halloween Party and Trunk or Treat at our Post Home. West Hill Community joined into our event for the second year with a take over of the Skyway business area along with KCFD 20 and KC Sheriff Storefront. We had Punch, juice boxes, coffee, and other drinks available during the event. We also had free hot dogs and chips available for the event. There was a face painting station, a cookie decorating station, a spooky fishing station for tricks or treats, and an activity station with Halloween coloring inside. So much going on and so many kids and families attending again this year. What an incredible turn out!

Outside we held a trunk or treat for the kid's to safely trick or treat for candy in our parking lot. It was a little wet, but that did not stop the kids from trunk or treating. It was great to see so many faces and meet so many people from our community at this event as well as active-duty military families from our adopted units at JBLM!

We also had a costume contest by age group and awarded a lot of prizes and gift cards to our winning costumes. There were so many kids and all of the costumes were awesome. Everyone that participated in the costume contest got a second chance at the fishing booth as a runner up treat!

Let us not forget our DJ music for the event and of course our Monster Cake Walk. We cake walked from start of the event to the finish and all 25 chairs stayed full. It was such an awesome turn out and so much fun watching the kids (and sometimes adults) monster mashing around the cakes until the music stopped and waiting to hear what number was drawn. The event pictures do not do the turn out justice. Our parking lot and our Post Home stayed full from 1pm till after 5 pm with families enjoying the activities we provided our community at this event! There are more pictures on our Skyway VFW Facebook page, check them out!

2-17 FA BATTALION "STEEL" TRUNK OR TREAT

The line was continuous for the food and drinks. The hot cocoa and hot coffee were hits on a rainy trunk or treat night!

Prepping the photo area and VFW haunted house trunk for the trunk or treat with our adopted unit 2-17 FA BN "Steel"

Post 9430 cooked and served hot dogs and chili dogs for the event along with hot cocoa, punch, and coffee. The unit was very grateful and the chili dogs were a big hit!

These are just a few of the over 40 trunks that signed up for this year's Battalion Trunk or Treat. It was great to see so many trunks this year! Lucky that I had the Battalion Chaplain to help judge the trunks. There were all kinds of trunks from bowls of candy to Jurassic Park and everything in between. This really made it a fun event for the kids. We found out during the event that it was advertised to all of JBLM that it was happening. So that was interesting but fun to have kids from throughout JBLM able to attend the event and have some Halloween fun!

Post 9430 Chaplain along with the Battalion Chaplain gave out the prizes and gift cards to the winning costumes and trunks for this year's event. Some of the winners of the events are pictured with our Chaplains.
